Think you're safe?

Cyber threats hit the  
average household  
over **100** times per month.

**With ProtectIQ from Star we stop the threats  
at the router.**

ProtectIQ is whole-home network security built into your Wi-Fi service. Our security protects all your devices, even the most vulnerable like smartTV's, cameras, thermostats and baby monitors.

We constantly keep your network security updated so you stay ahead of the latest threats and stop viruses from entering your home network.

**Call 800.706.6538 or visit  
<https://starcom.net/wifi-stmc.html> today!**

Bessie Murphy	910-648-6018
Thurman H. Peterson Jr.	910-532-4738
Livie V. Spearman III	910-532-4695
Clara J. Stewart	910-567-6682
Sophia L. Williams	910-567-6659

## From Your Kitchen

### Lazy Chocolate Chip Cookies

- 1 stick butter
- 2 eggs
- 1 box yellow cake mix
- 1 bag semi-sweet chocolate chips

Preheat oven to 350 degrees.

Grease a 9x13 pan. Melt the butter, allow it to cool a bit and then whisk it with eggs until combined. Add in the cake mix and stir well. Pour in the chocolate chips and mix all together.

The batter will be thick. Scoop into the pan and spread evenly. Bake for 20 minutes or until golden on top.

## Business Office Closing

In observance of Memorial Day, all of our business office locations will be closed Monday, May 27, 2024. Normal hours of operation will resume Tuesday, May 28, 2024.
